

ABOVEGROUND STORAGE TANKS  
BULK TO FARMER TANKS

Seasons may come and go, but  
these tanks just keep going.

Tough enough to handle the rough, Forgeweld's diesel tanks have become a familiar sight on the South African landscape. Generations of farmers have relied on the workmanship that goes into building these cylindrical storage tanks that just last and last.

LEADERS IN STEEL TANK MANUFACTURE, SINCE 1963.

### Durable

For a sure-sealing weld, lap joints are applied by MIG welding. This reduces the number of critical parameters in the weld to just two - the two faces of the parts where they overlap, and here the tolerances are reassuringly high.

### Warranty policy

Forgeweld's Bulk to Farmer storage tank carries a warranty against defective materials and workmanship for a period of 24 months from the date of installation.

### Low maintenance

Maintenance is virtually zero. The exterior is finished with a

tough shield of heat-reflective silver paint. The tanks are single-walled cylinders, but could be fabricated with a double wall, should you require it.

### Versatile

The tanks are supplied in the dimensions shown below on an option of a 1, 2 or 3 m stand.

### SANS compliant

Forgeweld's Bulk to Farmer tanks comply with SANS 10131, your further assurance of a tank that will outlast the seasons, year in and year out.

### Tank dimensions and capacity

VOLUME litres	IN. DIAMETER mm	OUT. DIAMETER mm	OVERALL LENGTH mm	SHELL THICKNESS mm	CALC. CAPACITY litres	APPROX. WEIGHT kg
1 000	1 150	1 154	1 070	2	1 111	106
2 000	1 150	1 154	2 140	2	2 222	168
